

**Sale Name:** June Online Equipment Auction

**LOT 55 - John Deere power unit w/ water pump**

### Description

- 4.5 4-cylinder turbo diesel engine
- recent work just done: engine was just overhauled by a John Deere mechanic, head was rebuilt, installed new water pump, installed new Murphy switch box and throttle cable, installed new turbo, installed new injection pump, completed on 4/2/2025 for a total cost of \$12,407 and we have the paperwork
- **DOES NOT HAVE IT'S OWN FUEL TANK, will require an external fuel tank to be used, when it is running in the video we made, it is just running off of the fuel that was in the filter housing**
- pump spins
- 13.5" pump impeller diameter
- has RFD PTO unit

**Quantity:** 1
